

## NEWDIGATE C of E INFANT SCHOOL

### On-Line Safety Parental Consent Form

#### Parent/Carer consent form and On-line Safety Rules

All pupils use computer facilities, including internet access, as an essential part of learning, as required by the National Curriculum. Parents/carers are asked to sign agreements to show that the On-line Safety Rules have been understood and agreed and give signed permission for their child to access on-line material as part of the curriculum in school.

At Newdigate Infant School, access to the internet will be by adult demonstration with supervised access to specific approved on-line material.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, but I understand that the school takes every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using an educationally filtered service, restricted access email, employing appropriate teaching practice and teaching On-line Safety skills to pupils.

I have discussed the attached On-line Safety rules with my child and he/she agrees to follow the On-line Safety rules and to support the safe and responsible use of ICT at Newdigate CE Infant School.

I understand that the school can check my child's computer files, and the internet sites they visit and that if they have concerns about their On-line Safety or e-behaviour that they will contact me.

I will support the school by promoting safe use of the internet and digital technology at home and will inform the school if I have any concerns over my child's On-line Safety.
